

Waldorf School of Cape Cod

Parent-Child ~ Nursery ~ Preschool ~ Kindergarten ~ Grades 1-8

Early Childhood Day

Wednesday, March 3, 1:30-2:45pm

Parents accompanied by their young children will have the opportunity to get a taste of our nursery and kindergarten in this mini version of a day in a Waldorf classroom. Explore the home-like environment of the early childhood classrooms, partake in a circle of songs and finger plays, enjoy a wholesome snack, take in a table puppet story, and speak with faculty to learn about the unique aspects of Waldorf early childhood education.

Registration is required.

Early Childhood Play Date

Monday, March 15, 9:00-10:30am (Felted Eggs)

Curious about what goes on in a Waldorf school? Parents who have not yet taken an opportunity to visit the school are invited to join us with their young children for a morning of play and discovery. These play dates are intended for children ages 18 months to 6 years (younger siblings are welcome). Each play date will include storytelling and a planned activity in addition to plenty of opportunity for imaginative play. A wholesome snack will be served. *Registration is required.*

Grades Tour and Talk

Wednesday, March 17, 9:30-11:00

See Waldorf education in action! Observe several of our grade classes in session. Following the observation, meet with a grades teacher for a brief presentation on Waldorf Education and a question and answer period. *Adults only. Registration is required.*

Spring Parent-Child Classes

**Begin in Cotuit
February 23rd**
