

Waldorf School of Cape Cod

Admissions Procedures

1. Complete and return an application to the office with a non-refundable, non-binding application fee of \$75.
2. Complete the Records Request form and submit it to your child's current school or return it to the Waldorf School of Cape Cod for processing. In the case of grades students, records from previous schools must be received prior to the required 3-day visit.
3. Recommendations are required as follows:
 - First through fifth grade – Lead teacher. For those children home-schooled or not yet in a school setting, a non-family adult who knows the child (i.e. neighbor, religious leader, scout leader).
 - Sixth through eighth grade – Two recommendations are required. One should be from an English or language arts teacher. The second should be from a math teacher. When this is the same person, another subject teacher (e.g., science), counselor, or administrator should complete the form, so that there could be up to three recommendations.
4. Early childhood applicants are required to attend either our Day in Early Childhood event or our Parent-Child program before being admitted.
5. Upon receipt of your application, you will be contacted for an interview.
6. For grades applicants, a 3-day visit by your child will be arranged after the receipt of school records. The class visit is scheduled for three consecutive days (usually on a Tuesday, Wednesday, and Thursday).
7. Faculty members collectively evaluate the class visit and form an admissions decision.
8. A letter communicating the admissions decision is sent to parents from the office. Parents have 30 days from the date of the admission letter to submit a signed enrollment contract.

Policy on Testing & Assessment

New children applying for entrance into the grades may be tested for the purpose of ascertaining developmental level and body integration skills. Additional assessments may be required.
